EDUCATION

MASTER OF SCIENCE IN NURSING (MSN), GERIATRIC CARE, NURSING COLLEGE, 2011

ACHIEVEMENTS

- Developed a comprehensive geriatric care model that was adopted by three local clinics.
- Published articles on geriatric health in national healthcare magazines.
- Organized community workshops that improved health literacy among seniors.

PROFILE

Results-driven Primary Care Health Provider with more than 8 years of experience in primary healthcare delivery. I specialize in geriatric medicine, focusing on enhancing the quality of life and functional independence of elderly patients. My approach combines evidence-based medical practices with compassionate care, ensuring that patients feel valued and understood. I have developed strong relationships with local health organizations to create a supportive network for patients and their families.

EXPERIENCE

GERIATRIC CARE PHYSICIAN

Elder Wellness Center

2016 - Present

- Provided comprehensive assessments and individualized care plans for over 200 geriatric patients annually.
- Implemented a fall prevention program that reduced fall incidents among patients by 50% within the first year.
- Facilitated regular health education sessions aimed at improving patient understanding of chronic conditions.
- Coordinated care with multidisciplinary teams to optimize treatment outcomes and patient safety.
- Utilized telehealth technology to enhance access to care for homebound patients.
- Achieved a 90% satisfaction rate in patient feedback surveys regarding care received.

PRIMARY CARE NURSE PRACTITIONER

Senior Health Services

2014 - 2016

- Conducted health assessments and developed management plans for a diverse elderly population.
- Worked closely with families to educate them on managing complex health conditions.
- Implemented quality assurance measures that improved care delivery processes.
- Participated in community outreach programs to promote healthy living among seniors.
- Engaged in research projects focused on innovative care models for the aging population.
- Recognized for excellence in patient-centered care by receiving the 'Outstanding Provider' award.
