MICHAEL ANDERSON

Primary Care Physician with Mental Health Focus

Experienced and compassionate Primary Care Health Provider with a focus on mental health integration in primary care settings. With over 9 years of experience in providing holistic care, I specialize in treating patients with co-occurring physical and mental health conditions. My approach emphasizes collaboration with mental health professionals to ensure comprehensive care and improved patient outcomes.

WORK EXPERIENCE

Primary Care Physician with Mental Health Focus

2020-2023

Integrated Health Center

- Managed a diverse patient panel with a focus on co-occurring mental and physical health conditions.
- Implemented screening tools for mental health assessments, improving identification rates by 35%.
- Collaborated with psychiatrists and psychologists to develop integrated treatment plans.
- Conducted patient education sessions on mental health awareness, reaching over 300 patients annually.
- Utilized telemedicine to enhance access to mental health services for rural patients.
- Achieved recognition for outstanding patient care and contributions to mental health advocacy.

Family Medicine Resident with Mental Health Training

2019-2020

Community Hospital

- Received specialized training in mental health during residency, enhancing holistic care capabilities.
- Conducted mental health workshops for staff and residents, promoting awareness and education.
- Participated in multidisciplinary team meetings to ensure integrated care for patients.
- Engaged in research on the effectiveness of integrated care models in improving patient outcomes.
- Developed a referral network with local mental health providers to facilitate patient access.
- Recognized for leadership in promoting mental health awareness within the residency program.

ACHIEVEMENTS

- Awarded 'Healthcare Innovator' for contributions to integrated care initiatives in the community.
- Published research on the impact of mental health integration in primary care settings.
- Organized community events to raise awareness about mental health resources available.
