

MICHAEL ANDERSON

PRIMARY CARE PHYSICIAN

PROFILE

Compassionate and detail-oriented Primary Care Medical Practitioner with 10 years of experience in family medicine. Proven track record of diagnosing and treating a variety of illnesses and injuries while also focusing on preventive care. Adept at building strong patient relationships and delivering patient-centered care that meets individual needs. Experienced in managing pediatric, adult, and geriatric patients in outpatient settings.

EXPERIENCE

PRIMARY CARE PHYSICIAN

Greenwood Family Practice

2016 - Present

- Provided primary and preventive care for over 1,500 patients, focusing on holistic health.
- Developed individualized treatment plans that improved patient health outcomes by 20%.
- Conducted routine health screenings and immunizations, maintaining a vaccination rate above 95%.
- Fostered collaboration with specialists to ensure coordinated patient care.
- Utilized health informatics to track patient progress and follow-up care efficiently.
- Participated in community health fairs to promote wellness and disease prevention.

CLINICAL FELLOW

Family Medicine Residency Program

2014 - 2016

- Engaged in hands-on patient care under supervision, gaining experience in various medical procedures.
- Participated in weekly case discussions and grand rounds, enhancing clinical decision-making skills.
- Assisted in managing chronic disease patients, contributing to a team-based care approach.
- Conducted patient education sessions on lifestyle modifications and disease prevention.
- Administered vaccines and performed routine physical exams, ensuring quality care delivery.
- Worked closely with attending physicians to refine diagnostic and management skills.
