ACHIEVEMENTS

- Recognized for achieving a 95% patient satisfaction rate in annual surveys.
- Developed a geriatric care program that improved health outcomes for over 300 patients.
- Awarded 'Outstanding Care Provider' by the regional healthcare association for dedication to elderly care.

PROFILE

Compassionate and experienced Primary Healthcare Physician with a focus on geriatrics and patient-centered care. Over 8 years of clinical experience in managing complex health issues in older adults, ensuring they receive optimal care tailored to their unique needs. Proven track record in enhancing quality of life through effective pain management, chronic disease control, and comprehensive health assessments.

EXPERIENCE

GERIATRIC CARE PHYSICIAN

Golden Age Health Services

2016 - Present

- Provided comprehensive geriatric assessments for over 600 patients, leading to tailored care plans that improved patient outcomes.
- Managed complex medication regimens, reducing adverse drug events by over 20%.
- Conducted family meetings to discuss care options, enhancing patient and family engagement in treatment decisions.
- Implemented a home visit program that increased patient satisfaction and adherence to treatment.
- Trained nursing staff on geriatric care best practices, improving overall care quality.
- Collaborated with social workers to address social determinants of health impacting patient well-being.

PRIMARY CARE PHYSICIAN

CareFirst Medical Center

2014 - 2016

- Managed a diverse patient population with a focus on preventive care and chronic disease management.
- Increased patient participation in wellness programs by 35% through community outreach.
- Conducted regular health screenings, identifying early-stage conditions and improving long-term outcomes.
- Utilized data analytics to track patient outcomes and refine treatment protocols.
- Established a patient follow-up system that improved continuity of care and reduced readmission rates.
- Advocated for patient needs within the healthcare system, enhancing access to services.
