## WORK EXPERIENCE

### Community Probation Officer 2020-2023

Urban Outreach Program

- Managed a caseload of individuals from underserved communities, ensuring equitable access to resources.
- Conducted outreach efforts to connect clients with social services and support networks.
- Facilitated workshops on legal rights and responsibilities for probationers.
- Collaborated with community organizations to develop programs addressing systemic barriers.
- Utilized trauma-informed approaches in client interactions to promote healing and recovery.
- Advocated for policy changes to improve probation practices for marginalized groups.

### Probation Officer Assistant 2019-2020

Neighborhood Justice Center

- Supported probation officers in case management and administrative tasks.
- Assisted in community outreach initiatives to raise awareness of probation services.
- Conducted client intake assessments and gathered necessary documentation.
- Maintained records of client interactions and progress notes.
- Participated in training on cultural competency and client advocacy.
- Engaged in team meetings to discuss client needs and case strategies.

## ACHIEVEMENTS

- Increased client access to social services by 40% through targeted outreach efforts.
- Recognized for excellence in community engagement and client support.
- Successfully launched a community awareness campaign on probation services and rights.
