# MICHAEL ANDERSON

## SENIOR FINANCIAL PROCESS AUDITOR

Proficient Process Auditor with a specialized focus on financial services, dedicated to enhancing compliance frameworks and financial integrity. Adept at conducting in-depth audits that scrutinize financial reporting and operational processes for adherence to regulatory standards. Highly skilled in utilizing data analytics to uncover discrepancies and recommend improvements that bolster financial performance.

## **PROFESSIONAL EXPERIENCE**

### **Banking Solutions Group**

*Mar 2018 - Present*

Senior Financial Process Auditor

- Led audits of financial reporting processes to ensure compliance with GAAP and regulatory standards.
- Designed and executed audit plans that effectively identified financial discrepancies.
- Collaborated with finance teams to implement corrective actions based on audit findings.
- Utilized advanced financial modeling techniques to analyze risk exposures.
- Presented audit results to the board, facilitating informed decision-making.
- Mentored junior auditors, enhancing team capabilities and knowledge.

### **Capital Investments Corp.**

*Dec 2015 - Jan 2018*

Process Auditor

- Conducted financial audits to assess compliance with internal policies.
- Analyzed transaction data to identify areas of potential fraud and irregularities.
- Engaged with stakeholders to communicate audit findings and recommendations.
- Developed risk assessment frameworks to prioritize audit activities.
- Facilitated training sessions on financial compliance for staff.
- Maintained comprehensive documentation of audit processes and findings.

## **ACHIEVEMENTS**

- Achieved a 30% reduction in financial discrepancies through enhanced auditing practices.
- Recognized for outstanding performance with the 'Audit Excellence' award.
- Implemented a new audit software that increased efficiency by 40% across the department.
