WORK EXPERIENCE

Procurement Officer

2020-2023

Federal Procurement Agency

- Managed procurement processes for federal contracts, ensuring compliance with government regulations.
- Negotiated contracts that resulted in a 15% cost savings across multiple projects.
- Conducted market research to identify potential suppliers and assess their capabilities.
- Prepared procurement documentation and reports for regulatory compliance.
- Collaborated with internal teams to align procurement strategies with project requirements.
- Trained staff on federal procurement policies and best practices.

Procurement Analyst

2019-2020

State Procurement Office

- Assisted in managing procurement activities for state contracts, ensuring compliance with policies.
- Analyzed supplier proposals to inform decision-making and contract negotiations.
- Monitored supplier performance and prepared reports for management review.
- Coordinated communication between suppliers and internal departments to resolve issues.
- Participated in training sessions on procurement compliance and regulations.
- Supported the implementation of e-procurement systems to enhance efficiency.

ACHIEVEMENTS

- Recognized for achieving a 20% reduction in procurement cycle times for federal projects.
- Awarded for outstanding contributions to a successful audit of procurement practices.
- Successfully implemented a training program that improved compliance rates across the agency.
