- San Francisco, CA

### EDUCATION

#### Bachelor of Science in Aerospace Engineering

Massachusetts Institute of Technology  
2016-2020

### SKILLS

- Lean Manufacturing
- Regulatory Compliance
- Team Leadership
- Data Analysis
- Process Improvement
- Risk Management

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Production Manager

2020-2023

Aerospace Dynamics Corp

- Oversaw production operations, ensuring compliance with FAA regulations and quality standards.
- Implemented Lean initiatives that reduced lead times by 25%.
- Managed a team of 80+ employees, promoting a culture of safety and accountability.
- Collaborated with engineering teams to enhance product designs for manufacturability.
- Utilized advanced analytics to monitor production performance and identify areas for improvement.
- Developed and executed training programs for staff development.

#### Manufacturing Engineer

2019-2020

SkyTech Innovations

- Designed and implemented manufacturing processes for aerospace components.
- Conducted process audits to ensure compliance with industry standards.
- Collaborated with cross-functional teams to resolve production issues.
- Analyzed production data to identify trends and inform process improvements.
- Developed documentation for manufacturing procedures and quality assurance.
- Provided training to production staff on new technologies and processes.

### ACHIEVEMENTS

- Awarded 'Best Production Team' for achieving record production levels.
- Successfully reduced production costs by 15% through process optimization.
- Implemented a new quality assurance program that improved product reliability.
