EDUCATION

Bachelor of Science in Environmental Engineering

University
2016-2020

SKILLS

- Production scheduling
- Process improvement
- Data analysis
- Team collaboration
- Sustainability practices
- Resource allocation

LANGUAGES

- English
- Spanish
- French

WORK EXPERIENCE

Production Planner 2020-2023

Green Energy Solutions

- Developed production schedules that optimized resource utilization and minimized waste.
- Collaborated with engineering teams to implement process improvements that enhanced efficiency.
- Monitored production data to identify trends and inform decision-making.
- Engaged with suppliers to ensure timely delivery of materials for production.
- Facilitated training sessions on sustainability practices within the production team.
- Participated in continuous improvement initiatives that resulted in a 15% reduction in energy consumption.

Production Assistant 2019-2020

EcoTech Industries

- Assisted in the planning and scheduling of production activities based on demand forecasts.
- Supported process documentation and compliance with safety standards.
- Analyzed production metrics to recommend improvements and efficiencies.
- Coordinated with logistics to ensure timely delivery of products to customers.
- Participated in sustainability initiatives that improved operational practices.
- Contributed to team meetings to discuss production challenges and solutions.

ACHIEVEMENTS

- Implemented strategies that reduced production waste by 20% within the first year.
- Recognized for outstanding contributions towards sustainability initiatives.
- Achieved a 90% on-time delivery rate, enhancing customer satisfaction.
