Dedicated and accomplished Professional Nanny with over a decade of experience providing exceptional childcare services to families of diverse backgrounds. Expertise in fostering a nurturing environment that promotes emotional and intellectual development, cultivating a strong foundation for lifelong learning. Proven ability to implement educational activities tailored to individual child needs, ensuring a stimulating and engaging atmosphere.

WORK EXPERIENCE

Lead Nanny | Elite Childcare Services

Jan 2022 – Present

- Developed and executed personalized educational plans tailored to the developmental stages of each child.
- Monitored and documented children's progress, providing regular updates and insights to parents.
- Facilitated engaging activities that fostered creativity and critical thinking.
- Implemented behavioral strategies to manage conflicts and promote positive social interactions.
- Coordinated playdates and educational outings, enhancing children's social skills and learning experiences.
- Maintained a safe and organized environment, ensuring compliance with health and safety regulations.

Nanny | Private Family

Jul 2019 – Dec 2021

- Provided attentive care for two children, focusing on emotional support and developmental milestones.
- Implemented daily routines that included meal preparation, homework assistance, and recreational activities.
- Organized educational outings to museums and parks, enhancing children's learning opportunities.
- Developed strong relationships with children, fostering trust and open communication.
- Collaborated with parents to create a cohesive approach to discipline and rewards.
- Utilized creative problem-solving skills to address and resolve conflicts between siblings.
