MICHAEL ANDERSON

GERIATRIC NURSE

Highly organized and proactive Professional Nurse with over 10 years of experience in the field of geriatric nursing. My career has been dedicated to providing exceptional care to elderly patients in both inpatient and outpatient settings. I possess a strong understanding of the unique healthcare needs of older adults, including chronic disease management and rehabilitation.

PROFESSIONAL EXPERIENCE

Senior Living Facility

Mar 2018 - Present

Geriatric Nurse

- Provided comprehensive nursing care to elderly residents, focusing on their physical and emotional well-being.
- Managed medication administration and monitored for potential side effects or interactions.
- Developed individualized care plans in collaboration with interdisciplinary teams.
- Trained nursing staff on best practices for geriatric care, improving team performance.
- Facilitated educational workshops for families on managing chronic conditions.
- Implemented a fall prevention program that reduced incidents by 40% within one year.

Community Hospital

Dec 2015 - Jan 2018

Staff Nurse

- Delivered patient-centered care on a rehabilitation unit, focusing on recovery and mobility.
- Assisted in discharge planning, ensuring patients had the resources needed for home care.
- Documented patient progress and communicated effectively with the healthcare team.
- Participated in quality assurance initiatives to enhance patient safety and care standards.
- Provided support to families during the transition from hospital to home care.
- Received recognition for exceptional patient care and commitment to elderly patients.

ACHIEVEMENTS

- Recognized for Outstanding Service in Geriatric Nursing by the State Nursing Association.
- Successfully reduced medication errors by 20% through enhanced training programs.
- Led a community health initiative that provided free screenings for seniors, serving over 300 individuals.
