WORK EXPERIENCE

SENIOR EVALUATION OFFICER

Global Health Partnerships

2020 - 2025

- Led evaluations for health programs across six countries, improving program delivery by 25%.
- Designed and implemented monitoring frameworks that aligned with international standards.
- Facilitated stakeholder workshops to ensure community input in evaluation processes.
- Analyzed program data to assess impact and inform future program designs.
- Presented evaluation findings to donors, securing continued funding for programs.
- Mentored junior evaluators, enhancing team capacity for program assessment.

EVALUATION COORDINATOR

International Development Agency

2015 - 2020

- Coordinated evaluations of development projects, ensuring alignment with donor requirements.
- Developed evaluation tools that captured qualitative and quantitative data effectively.
- Collaborated with local stakeholders to ensure culturally appropriate evaluation practices.
- Utilized data analysis software to track program effectiveness and outcomes.
- Reported findings to senior management, influencing policy adjustments and funding decisions.
- Facilitated training sessions for local evaluators, building local capacity for ongoing assessments.
