MICHAEL ANDERSON

SENIOR PROGRAM EVALUATOR

Dynamic Program Evaluation Specialist with over 10 years of experience in the health sector, specializing in public health programs. Proven ability to lead evaluations of complex health interventions, employing both qualitative and quantitative methodologies. Strong communicator with a track record of collaborating with diverse stakeholders, including government agencies, non-profits, and community organizations.

PROFESSIONAL EXPERIENCE

Global Health Initiative

Mar 2018 - Present

Senior Program Evaluator

- Led evaluations of international health programs, focusing on maternal and child health.
- Utilized mixed-methods approaches to assess program effectiveness and impact.
- Engaged with local communities to gather qualitative insights on health interventions.
- Developed evaluation frameworks that aligned with global health standards.
- Presented findings to international stakeholders, influencing policy changes.
- Mentored junior evaluators in best practices for conducting evaluations.

Health Services Organization

Dec 2015 - Jan 2018

Program Evaluation Specialist

- Designed and implemented evaluation strategies for chronic disease management programs.
- Analyzed health data to identify trends and inform program improvements.
- Collaborated with healthcare providers to evaluate the effectiveness of interventions.
- Created comprehensive reports for stakeholders to communicate results effectively.
- Facilitated focus groups to gather feedback from program participants.
- Incorporated patient feedback into program design and evaluation processes.

ACHIEVEMENTS

- Successfully secured \$2 million in funding for health program evaluations.
- Improved health outcomes for over 5,000 participants through targeted program recommendations.
- Recognized as a thought leader in program evaluation at national conferences.
