MICHAEL ANDERSON

AGRICULTURAL PROPERTY VALUER

Proficient Property Valuer with a specialization in agricultural land assessments, bringing forth years of experience in appraising rural properties. Demonstrated expertise in understanding the unique factors that influence land valuation, including zoning regulations, environmental considerations, and market trends. Proven track record of producing detailed reports that reflect the true value of agricultural assets, assisting clients in making informed decisions.

PROFESSIONAL EXPERIENCE

Farmstead Valuation Services

Mar 2018 - Present

Agricultural Property Valuer

- Conducted valuations of agricultural properties, including farms and ranches.
- Analyzed soil quality, crop yields, and environmental impact on land value.
- Developed comprehensive reports tailored to agricultural stakeholders.
- Collaborated with landowners to assess property potential and value.
- Maintained knowledge of agricultural policies affecting valuations.
- Provided expert consultations on land acquisition and investment.

Rural Realty Advisors

Dec 2015 - Jan 2018

Junior Property Valuer

- Assisted in the valuation of rural properties under the supervision of senior valuers.
- Conducted market research to support valuation processes.
- Prepared preliminary valuation reports for client review.
- Engaged with local agricultural communities to gather market insights.
- Maintained accurate records of property assessments.
- Participated in training sessions on agricultural valuation techniques.

ACHIEVEMENTS

- Successfully valued over 200 agricultural properties with high accuracy.
- Awarded 'Rising Star' by the Agricultural Valuers Association in 2020.
- Contributed to a 25% increase in client base through referral programs.
