

MICHAEL ANDERSON

Geriatric Prosthodontist

Dynamic Prosthodontist with a focus on geriatric dentistry and enhancing the quality of life for elderly patients. With over 10 years of experience, I have dedicated my career to understanding the unique dental needs of older adults. My approach combines compassion with technical expertise, ensuring that each patient receives tailored care that addresses their specific challenges.

WORK EXPERIENCE

Geriatric Prosthodontist

2020-2023

Senior Smile Dental Clinic

- Provided specialized prosthodontic care for elderly patients, enhancing their quality of life through improved dental function.
- Developed individualized treatment plans that considered the unique needs of geriatric patients.
- Utilized patient-centered communication techniques to ensure understanding and comfort during procedures.
- Collaborated with caregivers and health professionals to create comprehensive care plans.
- Conducted educational workshops for families on maintaining oral health in older adults.
- Participated in outreach programs to provide dental care to underserved senior populations.

Prosthodontist

2019-2020

Community Dental Clinic

- Performed assessments and treatments for elderly patients with complex dental needs, achieving high satisfaction rates.
- Utilized digital tools to enhance the accuracy of dental impressions and prosthetic fittings.
- Engaged in continuous education to better serve the aging population and their unique dental challenges.
- Maintained comprehensive patient records to ensure continuity of care.
- Provided mentorship to dental students focusing on geriatric care.
- Created a referral network with local health services to improve patient access to care.

ACHIEVEMENTS

- Recognized for outstanding service to elderly patients at the state dental conference.
- Increased patient engagement through educational initiatives that improved oral health knowledge.
- Successfully treated over 400 elderly patients, with a focus on enhancing their overall well-being.
