EDUCATION

**BACHELOR OF SCIENCE IN NURSING,
URBAN HEALTH UNIVERSITY, 2016**

ACHIEVEMENTS

- Increased patient engagement in treatment plans by 30% through education initiatives.
- Received commendation for excellence in patient care from hospital administration.
- Participated in a pilot program that reduced emergency room wait times for psychiatric patients by 25%.

PROFILE

Compassionate and detail-oriented Psychiatric Care Nurse with 5 years of experience in a busy urban hospital. I specialize in acute psychiatric care and have a strong ability to manage complex cases involving dual diagnoses. My approach to nursing emphasizes holistic care, integrating physical, emotional, and social aspects of patient care. I am skilled in crisis management and have successfully implemented therapeutic interventions that lead to improved patient stabilization.

EXPERIENCE

ACUTE PSYCHIATRIC NURSE

City General Hospital

2016 - Present

- Managed care for patients with acute psychiatric disorders in a fast-paced environment.
- Performed daily assessments and monitored vital signs for psychiatric patients.
- Implemented crisis intervention strategies and supported patients in distress.
- Collaborated with psychiatrists to adjust treatment plans based on patient progress.
- Educated patients and families on mental health conditions and treatments.
- Maintained detailed documentation of patient care and outcomes.

PSYCHIATRIC NURSE INTERN

State Mental Health Facility

2014 - 2016

- Assisted in managing daily operations of psychiatric care under supervision.
- Participated in therapeutic group sessions and assisted with activities.
