# MICHAEL ANDERSON

## LEAD PSYCHIATRIC SOCIAL WORKER

Motivated Psychiatric Social Worker with over 10 years of experience in adult mental health services. Expertise in providing individual therapy, crisis intervention, and comprehensive case management to clients with severe mental illnesses. Proven ability to develop and implement treatment plans tailored to individual needs, leading to improved mental health outcomes. Strong advocate for client rights and community resources, with a focus on reducing stigma associated with mental health issues.

## PROFESSIONAL EXPERIENCE

### **Metro City Hospital**

*Mar 2018 - Present*

Lead Psychiatric Social Worker

- Oversaw a team of social workers providing services to over 100 adult clients with severe mental illnesses.
- Developed individualized treatment plans that improved client outcomes by 25% over two years.
- Conducted regular training sessions for staff on trauma-informed care practices.
- Collaborated with psychiatrists and nursing staff to coordinate comprehensive care for clients.
- Implemented a new case management system that increased efficiency in client tracking.
- Advocated for policy changes within the hospital to enhance mental health services.

### **Northside Counseling Center**

*Dec 2015 - Jan 2018*

Psychiatric Social Worker

- Provided individual and group therapy for adults dealing with mood disorders and substance abuse issues.
- Conducted comprehensive assessments to inform treatment planning and goal setting.
- Engaged in community outreach to promote mental health awareness and resource availability.
- Maintained accurate and confidential client records in compliance with HIPAA regulations.
- Facilitated support groups for clients and their families to foster recovery and understanding.
- Participated in interdisciplinary team meetings to evaluate and adjust treatment approaches.

## ACHIEVEMENTS

- Recognized as Employee of the Month for outstanding service and dedication to client care.
- Successfully reduced emergency room visits for mental health crises by 15% through proactive outreach.
- Authored a guide on best practices for engaging clients in treatment, adopted by the hospital.
