MICHAEL ANDERSON

PROFESSOR OF PUBLIC ADMINISTRATION

Strategic Public Administration Instructor with over 20 years of experience in higher education and public policy advocacy. Expert in leveraging academic research to inform public sector practices and enhance student learning outcomes. Skilled in facilitating interdisciplinary collaborations that promote innovative solutions to complex societal challenges. Adept at navigating the intersections of theory and practice, ensuring students are well-equipped to address contemporary governance issues.

PROFESSIONAL EXPERIENCE

National University

Mar 2018 - Present

Professor of Public Administration

- Led the development of a multi-disciplinary public administration curriculum focusing on global challenges.
- Conducted extensive research on government accountability and transparency.
- Supervised doctoral candidates in their dissertation research and professional development.
- Facilitated partnerships with international organizations for student internships.
- Organized conferences to disseminate research findings and foster networking.
- Enhanced program visibility through strategic marketing initiatives.

Policy Institute

Dec 2015 - Jan 2018

Senior Research Analyst

- Conducted evaluations of public policies impacting community development.
- Developed policy briefs that informed legislative decisions.
- Collaborated with stakeholders to identify key issues in public governance.
- Presented research findings to government officials and community leaders.
- Managed research projects with a focus on data-driven outcomes.
- Facilitated workshops on policy analysis for practitioners.

ACHIEVEMENTS

- Published influential studies in top-tier journals, shaping public policy discourse.
- Received the Distinguished Faculty Award for excellence in teaching and research.
- Secured funding for a \$200,000 research initiative on governance reforms.
