EDUCATION

MASTER OF PUBLIC ADMINISTRATION, UNIVERSITY OF EXCELLENCE

ACHIEVEMENTS

- Developed a community service learning program recognized by local government.
- Received the Innovative Teaching Award for integrating experiential learning.
- Published research on the role of public administration in social equity.

PROFILE

Accomplished educator and public administration expert with a rich background in community engagement and policy advocacy. Adept at translating complex theoretical concepts into practical applications that resonate with students and practitioners alike. Known for a student-centered approach to teaching, fostering an inclusive environment that promotes active learning and critical discourse. Demonstrates a strong commitment to public service and civic engagement, integrating real-world issues into the curriculum.

EXPERIENCE

PUBLIC ADMINISTRATION LECTURER

City College

2016 - Present

- Designed and implemented a new public administration curriculum emphasizing community service.
- Facilitated partnerships with local NGOs to provide students with hands-on experience.
- Conducted community workshops to disseminate knowledge on public policy issues.
- Advised students on career pathways in public service and administration.
- Led a team of faculty in revising program accreditation standards.
- Participated in faculty development programs to enhance teaching strategies.

LECTURER IN PUBLIC POLICY

Regional University

2014 - 2016

- Delivered lectures on public policy formation and evaluation.
- Engaged in research on the effectiveness of public policies in improving community welfare.
- Mentored students in research projects, fostering academic growth.
- Organized public forums to discuss pressing social issues impacted by policy decisions.
- Participated in curriculum committees to enhance interdisciplinary learning.
- Utilized technology-driven approaches to improve student engagement in online courses.
