

MICHAEL ANDERSON

FISCAL POLICY RESEARCHER

PROFILE

Accomplished researcher specializing in public administration with a focus on fiscal policy and governance. Proven track record in leading research projects that inform legislative frameworks and enhance public accountability. Expertise in leveraging qualitative and quantitative methodologies to assess the efficacy of public sector programs. Adept at fostering collaborative relationships with governmental and non-governmental entities to drive strategic initiatives.

EXPERIENCE

FISCAL POLICY RESEARCHER

Institute for Government Accountability

2016 - Present

- Conducted rigorous fiscal analyses to evaluate the impact of tax reforms.
- Collaborated with cross-functional teams to develop policy briefs for state legislators.
- Utilized econometric models to project revenue implications of proposed legislation.
- Presented findings to policymakers, enhancing understanding of fiscal impacts.
- Authored comprehensive reports that influenced budget allocation decisions.
- Trained junior researchers in advanced analytical techniques.

POLICY RESEARCH ASSISTANT

Center for Public Policy Research

2014 - 2016

- Supported senior researchers in analyzing public expenditure trends.
- Compiled and maintained a database of fiscal policy changes across states.
- Contributed to the drafting of policy recommendations for local governments.
- Engaged in stakeholder interviews to gather insights on public finance.
- Assisted in the organization of seminars and workshops on fiscal governance.
- Coordinated outreach efforts to disseminate research findings to community leaders.
