MICHAEL ANDERSON

KINETIC ART DESIGNER

Esteemed Public Art Artist with a unique specialization in kinetic and interactive installations, bringing over 9 years of experience in creating engaging public art that challenges conventional boundaries. This artist's work emphasizes viewer participation, transforming passive observation into active engagement. A strong advocate for the intersection of technology and art, the artist explores innovative mediums that invite the public to interact with the artwork dynamically.

PROFESSIONAL EXPERIENCE

Interactive Art Solutions

Mar 2018 - Present

Kinetic Art Designer

- Designed and implemented kinetic art installations for public spaces.
- Collaborated with engineers to integrate technology into art projects.
- Conducted workshops to engage the public in the creative process.
- Managed project timelines and budgets for successful delivery.
- Evaluated audience interaction to enhance future projects.
- Presented work at international art fairs, increasing visibility.

City Arts Organization

Dec 2015 - Jan 2018

Public Art Facilitator

- Facilitated the creation of interactive public art that encourages community participation.
- Organized community events to unveil new installations.
