### SKILLS

- AWS
- Azure
- Jenkins
- Ansible
- Microservices
- Automation

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN SOFTWARE  
ENGINEERING, ENGINEERING SCHOOL**

### ACHIEVEMENTS

- Implemented a cloud automation solution that reduced deployment times by 50%.
- Awarded for excellence in client service and project management.
- Contributed to a significant reduction in operational costs through effective cloud strategies.

### WORK EXPERIENCE

#### CLOUD AUTOMATION ENGINEER

Future Tech Co.

2020 - 2025

- Developed automated deployment scripts using Jenkins and Ansible for AWS.
- Optimized application performance by implementing load balancing strategies.
- Designed and maintained microservices architectures in containerized environments.
- Collaborated with QA teams to implement automated testing frameworks.
- Monitored cloud environments for performance and cost efficiency.
- Provided training on cloud automation tools and techniques to team members.

#### CLOUD CONSULTANT

Cloud Advisory Group

2015 - 2020

- Advised clients on cloud strategy and migration planning to AWS.
- Conducted assessments of existing infrastructures and provided recommendations.
- Facilitated workshops on cloud best practices and governance.
- Developed proof-of-concept projects to demonstrate cloud capabilities.
- Worked on cost analysis and optimization strategies for cloud resources.
- Ensured successful project delivery within timelines and budget constraints.
