ACHIEVEMENTS

- Recognized as 'Employee of the Month' twice for outstanding project delivery.
- Increased client retention by 20% through successful cloud implementations.
- Presented at industry conferences on cloud adoption strategies.

PROFILE

Dynamic and results-driven public cloud transformation professional with a robust background in IT infrastructure and enterprise cloud solutions. Demonstrated ability to lead complex cloud adoption projects that enhance business agility and drive competitive advantage. Skilled in leveraging emerging technologies to architect scalable and secure cloud environments that meet organizational needs. Strong analytical capabilities enable the identification of process inefficiencies, resulting in improved service delivery and reduced costs.

EXPERIENCE

PUBLIC CLOUD PROGRAM MANAGER

Innovative Tech Solutions

2016 - Present

- Managed the full lifecycle of cloud transformation projects, from initial assessment to post-implementation support.
- Collaborated with IT and business units to establish cloud strategy and governance policies.
- Implemented CI/CD pipelines that decreased deployment time by 50%.
- Facilitated workshops to educate staff on cloud technologies and best practices.
- Negotiated contracts with cloud vendors, achieving a 15% cost savings.
- Monitored cloud performance metrics and implemented enhancements based on data analysis.

CLOUD SOLUTIONS CONSULTANT

NextGen Technologies

2014 - 2016

- Assessed client needs and developed tailored cloud solutions that enhanced operational efficiency.
- Conducted workshops on cloud migration strategies for client IT teams.
- Utilized AWS and Azure services to design and implement cloud architectures.
- Provided ongoing support and optimization recommendations post-migration.
- Developed documentation and training materials for end-users.
- Achieved a 95% client satisfaction rate through effective project management.
