SUMMARY

Dedicated Public Health Educator with over 8 years of experience in designing and implementing community health programs. I hold a Master's in Public Health and have a passion for improving community wellness through education. My expertise lies in health promotion, disease prevention, and community engagement. I have successfully led initiatives that increased health awareness in underserved populations.

WORK EXPERIENCE

Senior Health Educator Community Health Network

Jan 2023 - Present

- Developed educational materials for health promotion targeting chronic disease prevention.
- Conducted workshops and seminars in community centers to educate on nutrition and physical activity.
- Collaborated with local schools to implement health education curricula.
- Utilized social media campaigns to engage younger demographics, resulting in a 30% increase in program participation.
- Analyzed participant feedback to refine program content and delivery methods.
- Trained and supervised a team of volunteer health educators to expand outreach efforts.

Public Health Specialist State Health Department

Jan 2020 - Dec 2022

- Designed and implemented statewide health education campaigns on smoking cessation.
 - Coordinated with healthcare providers to ensure access to resources and support for patients.
 - Conducted data analysis to identify health trends and areas of need within the community.
 - Participated in policy advocacy efforts to promote public health legislation.
 - Organized annual health fairs to provide screenings and educational resources to residents.
 - Prepared reports on program outcomes for state health officials and stakeholders.
-
