# MICHAEL ANDERSON

## MATERNAL HEALTH EDUCATOR

Enthusiastic Public Health Educator with a focus on maternal and child health. Over the past 7 years, I have dedicated my career to improving health outcomes for mothers and children through education and advocacy. My experience includes developing and executing programs that provide prenatal education, breastfeeding support, and parenting workshops. I have a strong ability to connect with families, building trust and rapport to facilitate learning and behavior change.

## **PROFESSIONAL EXPERIENCE**

### **Family Health Services**

*Mar 2018 - Present*

Maternal Health Educator

- Developed and facilitated prenatal classes for expectant mothers.
- Created informative brochures and resources on breastfeeding and infant care.
- Conducted health assessments and provided personalized education to families.
- Collaborated with healthcare providers to improve service delivery for mothers.
- Organized community events to promote maternal and child health awareness.
- Evaluated program effectiveness through participant feedback and health outcomes.

### **County Health Department**

*Dec 2015 - Jan 2018*

Public Health Nurse

- Provided home visits for new mothers to offer education and support.
- Conducted workshops on child development and parenting skills.
- Developed partnerships with local agencies to enhance resource availability for families.
- Assisted in the implementation of vaccination programs for children.
- Monitored health trends and reported findings to public health officials.
- Participated in community outreach initiatives to increase awareness of health services.

## **ACHIEVEMENTS**

- Successfully increased breastfeeding rates in the community by 15% through targeted education.
- Recognized for outstanding service in maternal health by the local health board in 2022.
- Developed a resource toolkit that was adopted by local hospitals for new mothers.
