Senior Public Health Researcher

San Francisco, CA • (555) 234-5678 • michael.anderson@email.com • www.michaelanderson.com

---

## SUMMARY

A dedicated Public Health Equity Researcher with over 8 years of experience in addressing health disparities among marginalized populations. Skilled in utilizing data-driven approaches to inform policy and program development, I have a strong background in epidemiology and social determinants of health. My work has focused on conducting community-based participatory research, engaging stakeholders, and translating findings into actionable strategies for improving health outcomes.

## WORK EXPERIENCE

### Senior Public Health Researcher Global Health Initiative

Jan 2023 - Present

- Led a multi-year study on the impact of socioeconomic factors on health outcomes in urban areas.
- Developed and implemented data collection methods utilizing surveys and focus groups.
- Collaborated with community organizations to ensure participant engagement and trust.
- Analyzed qualitative and quantitative data to produce reports and publications.
- Presented findings to stakeholders, influencing policy adjustments at local health departments.
- Secured funding for future research through grant writing and partnerships.

### Public Health Analyst State Health Department

Jan 2020 - Dec 2022

- Conducted epidemiological studies to identify health trends and disparities in the state.
  - Collaborated with various agencies to develop health promotion campaigns targeting at-risk populations.
  - Utilized statistical software to analyze data, yielding insights that informed policy changes.
  - Prepared and presented findings at state health conferences, enhancing public awareness.
  - Facilitated workshops to educate community leaders on health equity issues.
  - Coordinated with local universities for research collaborations and student internships.
- 

## EDUCATION

### Master of Public Health, University of California, Berkeley

Sep 2019 - Oct 2020

---
