Michael Anderson

MATERNAL HEALTH PROGRAM EVALUATOR

Motivated Public Health Evaluation Specialist with a focus on maternal and child health. With over 6 years of experience, I am dedicated to evaluating programs that enhance health outcomes for women and children. My expertise lies in conducting thorough assessments that incorporate both qualitative and quantitative data, ensuring a comprehensive understanding of program effectiveness.

EXPERIENCE

MATERNAL HEALTH PROGRAM EVALUATOR

Women's Health Coalition

2016 - Present

- Evaluated maternal health programs, resulting in a 20% increase in service utilization.
- Conducted surveys to assess patient satisfaction and program impact.
- Collaborated with healthcare providers to align services with community needs.
- Utilized statistical software for data analysis, generating comprehensive reports.
- Presented findings to stakeholders, leading to improved funding for maternal health initiatives.
- Trained staff on best practices in program evaluation.

PUBLIC HEALTH ANALYST

Child Health Services

2014 - 2016

- Assisted in the evaluation of child health programs, contributing to policy recommendations.
- Analyzed demographic data to identify service gaps among low-income families.
- Facilitated focus groups to gather feedback on health services.
- Maintained databases for program tracking and reporting.
- Supported the development of health literacy campaigns for parents.
- Compiled evaluation reports for funding agencies.
