MICHAEL
ANDERSON

Health Education Program Evaluator

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Dynamic Public Health Evaluation Specialist with over 4 years of experience in evaluating health promotion programs. My commitment to improving public health outcomes is reflected in my ability to assess program effectiveness and make data-driven recommendations. I have worked primarily in non-profit organizations, where I have led evaluations that focus on preventive health measures and education.

WORK EXPERIENCE

Health Education Program Evaluator | Healthy Communities Initiative Jan 2022 – Present

- Evaluated health education programs, resulting in a 25% increase in participant knowledge.
- Designed surveys to assess program effectiveness and participant satisfaction.
- Collaborated with community partners to align health initiatives.
- Analyzed evaluation data to inform program revisions.
- Presented findings to stakeholders, enhancing program visibility.
- Trained staff on evaluation best practices and data collection methods.

Public Health Intern | City Health Department Jul 2019 – Dec 2021

- Assisted in the evaluation of community health programs focused on nutrition and wellness.
- Conducted data entry and analysis for program assessments.
- Engaged with community members to gather feedback on health services.
- Supported the development of educational materials for community outreach.
- Compiled evaluation reports for funding agencies.
- Monitored program implementation to ensure fidelity to design.
