### SUMMARY

Dedicated Public Health Outreach Specialist with over 5 years of experience in community health initiatives and program management. Proven track record of developing and implementing effective health education programs tailored to diverse populations. Strong ability to engage stakeholders, foster partnerships, and mobilize resources to address public health issues. Experienced in conducting needs assessments, analyzing health data, and evaluating program effectiveness.

---

### WORK EXPERIENCE

#### Community Health Coordinator **Healthy Futures Program**

*Jan 2023 - Present*

- Led community health workshops focused on nutrition and preventive care, reaching over 300 participants.
- Developed educational materials in collaboration with local health experts to ensure cultural relevance.
- Managed a team of volunteers to facilitate outreach activities in underserved neighborhoods.
- Utilized data analytics tools to assess community health needs and inform program development.
- Established partnerships with local organizations to enhance resource availability for residents.
- Coordinated health fairs that provided free screenings to over 500 individuals annually.

#### Public Health Educator **City Health Department**

*Jan 2020 - Dec 2022*

- Designed and implemented educational campaigns targeting childhood obesity, resulting in a 20% decrease in local BMI averages.
  - Conducted presentations at schools and community centers to promote mental health awareness and resources.
  - Collaborated with healthcare providers to improve referral systems for mental health services.
  - Organized training sessions for healthcare staff on cultural competency in patient interactions.
  - Evaluated the effectiveness of outreach programs using surveys and health outcomes data.
  - Facilitated focus groups to gather community feedback on health service needs.
- 

### EDUCATION

#### Master of Public Health, University of Global Health, 2016

*Sep 2019 - Oct 2020*
