## PUBLIC HEALTH PROGRAM MANAGER

With over 6 years of experience in public health, I am a results-driven Public Health Program Manager specializing in maternal and child health initiatives. My career has been marked by a commitment to improving health outcomes for vulnerable populations through innovative program design and implementation. I have successfully developed and led outreach programs that connect families with essential health services.

## **PROFESSIONAL EXPERIENCE**

### **Maternal Health Network**

*Mar 2018 - Present*

Public Health Program Manager

- Developed a maternal health outreach program that served over 5,000 families annually.
- Managed stakeholder relationships with hospitals and community agencies.
- Conducted workshops on prenatal care, reaching diverse populations.
- Implemented a data tracking system to monitor program effectiveness and engagement.
- Trained staff in culturally competent care practices, improving client satisfaction.
- Increased program visibility through social media campaigns, enhancing community participation.

### **Local Health Department**

*Dec 2015 - Jan 2018*

Community Health Outreach Coordinator

- Led community assessments to identify health needs and barriers to access.
- Implemented health fairs that provided services to over 2,000 participants.
- Developed educational materials on maternal and child health topics.
- Collaborated with local schools to promote health education programs.
- Engaged in policy advocacy to improve maternal health services in the community.
- Monitored program outcomes, leading to a 35% increase in service utilization.

## **ACHIEVEMENTS**

- Received the Community Impact Award for outstanding service to families.
- Increased client engagement in health programs by 50% through targeted outreach.
- Successfully advocated for the implementation of new maternal health policies at the state level.
