WORK EXPERIENCE

Public Health Quality Coordinator

2020-2023

Healthy Communities Organization

- Coordinated quality improvement initiatives that led to a 15% increase in community health program participation.
- Collaborated with healthcare providers to develop patient education materials focused on preventive care.
- Conducted surveys to gather community feedback on health services and implemented changes based on findings.
- Trained staff on quality improvement methodologies and best practices.
- Utilized health data to measure program effectiveness and identify areas for improvement.
- Prepared reports for stakeholders detailing program outcomes and recommendations.

Quality Improvement Associate

2019-2020

Community Health Clinic

- Assisted in the development of quality improvement plans that increased patient satisfaction scores by 10%.
- Monitored compliance with health regulations and standards, ensuring best practices were implemented.
- Facilitated focus groups to identify patient needs and preferences, driving service enhancements.
- Analyzed patient data to track outcomes and inform quality initiatives.
- Collaborated with interdisciplinary teams to improve care coordination and patient outreach.
- Prepared presentations on quality improvement efforts for internal and external stakeholders.

ACHIEVEMENTS

- Recognized for outstanding contributions to community health initiatives by receiving the 'Community Champion' award.
- Implemented a patient feedback system that improved service delivery and satisfaction.
- Developed training materials that enhanced staff understanding of quality improvement processes.
