# MICHAEL ANDERSON

## MATERNAL AND CHILD HEALTH COORDINATOR

Dynamic Public Health Specialist with a focus on maternal and child health, bringing 5 years of experience in program planning and evaluation. Committed to improving health outcomes through evidence-based interventions and community collaboration. Proficient in qualitative and quantitative research methods, allowing for comprehensive assessment of health initiatives. Strong advocate for policy change and health equity, with a proven ability to mobilize community resources and engage diverse populations.

## **PROFESSIONAL EXPERIENCE**

### **Family Health Services**

*Mar 2018 - Present*

Maternal and Child Health Coordinator

- Coordinated services for pregnant women and children under five to ensure access to healthcare.
- Developed outreach programs leading to a 30% increase in prenatal care utilization.
- Conducted surveys to assess community needs and inform program development.
- Collaborated with local schools to provide health education on nutrition and wellness.
- Organized workshops that educated over 300 families on maternal health issues.
- Monitored program outcomes and provided reports to stakeholders and funders.

### **University Research Institute**

*Dec 2015 - Jan 2018*

Public Health Research Assistant

- Assisted in research studies focusing on childhood obesity and intervention strategies.
- Conducted literature reviews and contributed to academic publications.
- Supported data collection and analysis for various public health projects.
- Engaged with community partners to facilitate research participation.
- Participated in presenting research findings at regional conferences.
- Provided administrative support to the research team, ensuring project timelines were met.

## **ACHIEVEMENTS**

- Developed a successful maternal health program recognized by the state health department.
- Contributed to a research paper published in a leading public health journal.
- Received an award for excellence in community health outreach initiatives.
