

MICHAEL ANDERSON

ECONOMIC POLICY RESEARCHER

PROFILE

Dynamic and results-driven public policy researcher with a focus on economic policy and development. Over 5 years of experience working with government agencies and think tanks to analyze the effectiveness of fiscal policies and their impact on economic growth. My analytical background in economics allows me to dissect complex data and translate it into actionable insights for policymakers.

EXPERIENCE

ECONOMIC POLICY RESEARCHER

National Economic Council

2016 - Present

- Led research projects analyzing the impacts of tax policies on small businesses.
- Developed econometric models to forecast economic trends and policy outcomes.
- Presented policy recommendations to senior advisors based on research findings.
- Collaborated with cross-functional teams to enhance data collection methods.
- Published articles in economic journals to disseminate research outcomes.
- Engaged with stakeholders to validate research insights and recommendations.

JUNIOR POLICY ANALYST

Economic Policy Institute

2014 - 2016

- Assisted in conducting studies on the effects of minimum wage laws on employment.
- Gathered and analyzed economic data to support policy briefs.
- Collaborated with senior researchers on reports presented to congressional committees.
- Maintained data sets and conducted statistical analyses to inform policy debates.
- Participated in outreach efforts to engage community organizations in research.
- Contributed to the development of presentations for key stakeholders.
