ACHIEVEMENTS

- Successfully led a \$250 million public-private partnership project that transformed urban infrastructure.
- Recipient of the Urban Excellence Award for innovative partnership models.
- Increased community satisfaction ratings by 35% through effective stakeholder engagement.

Strategic Public Private Partnership Manager with an exemplary record of facilitating collaborations that drive infrastructure development and enhance community services. Expertise lies in negotiating complex agreements and managing multifaceted projects that require a keen understanding of both public sector priorities and private sector capabilities. Proven ability to cultivate relationships with diverse stakeholders, including government officials, community leaders, and corporate partners.

WORK EXPERIENCE

PUBLIC PRIVATE PARTNERSHIP LEAD

City Infrastructure Agency
