## IT COMPLIANCE CONSULTANT

Innovative Public Sector IT Compliance Officer, distinguished by a robust analytical skill set and a commitment to enhancing operational integrity within governmental organizations. With over 12 years of experience in compliance management, this professional has successfully implemented comprehensive compliance programs that mitigate risks associated with information technology systems. Known for leveraging data-driven approaches to identify vulnerabilities and drive compliance initiatives that align with organizational goals.

## **PROFESSIONAL EXPERIENCE**

### **Government Accountability Office**

*Mar 2018 - Present*

IT Compliance Consultant

- Conducted comprehensive compliance reviews of IT systems across various governmental departments.
- Provided expert recommendations for enhancing compliance frameworks based on audit findings.
- Developed training materials to educate staff on compliance requirements.
- Collaborated with IT teams to implement corrective measures for identified compliance issues.
- Assisted in the creation of compliance monitoring tools to track adherence.
- Reported compliance status and improvement recommendations to senior management.

### **City of Chicago**

*Dec 2015 - Jan 2018*

Compliance Officer

- Managed compliance audits for city IT systems, ensuring adherence to local regulations.
- Developed and maintained compliance documentation for IT operations.
- Facilitated communication between IT and legal departments regarding compliance issues.
- Implemented new compliance initiatives that improved operational efficiency by 20%.
- Conducted workshops to raise awareness of compliance practices among staff.
- Analyzed compliance data to identify trends and inform strategic planning.

## **ACHIEVEMENTS**

- Significantly improved compliance audit scores through targeted training initiatives.
- Recognized for excellence in compliance management by the City of Chicago.
- Developed an innovative compliance monitoring system adopted by multiple departments.
