Junior Purple Team Engineer

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Enthusiastic Purple Team Engineer with over 3 years of experience in cybersecurity, focusing on collaborative security practices that combine red and blue team methodologies. My background includes hands-on experience in vulnerability assessments, incident response, and security monitoring. I have a strong desire to learn and grow within the cybersecurity field, constantly seeking out new challenges and opportunities to expand my skill set.

## WORK EXPERIENCE

### Junior Purple Team Engineer | CyberSecure Group

Jan 2022 – Present

- Assisted in red team assessments and blue team defense strategies.
- Monitored security alerts and responded to incidents under supervision.
- Participated in vulnerability scanning and reporting activities.
- Collaborated with team members on security policy development.
- Contributed to security training sessions for staff awareness.
- Documented findings and assisted in report preparation for stakeholders.

### Security Intern | Tech Innovations

Jul 2019 – Dec 2021

- Supported the security team in conducting vulnerability assessments.
- Assisted in monitoring network traffic for suspicious activities.
- Participated in the development of security documentation.
- Engaged in team meetings to discuss security strategies.
- Contributed to the preparation of security awareness materials for employees.
- Learned and applied security best practices in daily tasks.

## SKILLS

Vulnerability Assessment

Incident Response

Security Monitoring
