EDUCATION

**M.SC. IN COMPUTER SCIENCE,
UNIVERSITY OF CALIFORNIA,
BERKELEY**

ACHIEVEMENTS

- Successfully delivered over 10 large-scale quantum projects for Fortune 500 clients.
- Recognized as Employee of the Year for outstanding project leadership.
- Developed a framework for assessing the ROI of quantum technology investments.

WORK EXPERIENCE

QUANTUM SYSTEMS ENGINEER

QuantumTech Solutions

2020 - 2025

- Designed and executed quantum communication solutions for enterprise clients.
- Managed project timelines, budgets, and resource allocation effectively.
- Collaborated with technical teams to ensure seamless integration of quantum technologies.
- Provided training and support to clients on quantum system operations.
- Conducted market analysis to identify trends in quantum technology adoption.
- Developed business cases for new quantum service offerings.

PROJECT MANAGER - QUANTUM COMMUNICATIONS

Quantum Innovations Ltd.

2015 - 2020

- Oversaw the implementation of quantum communication projects from inception to completion.
- Developed project plans and managed stakeholder communications.
- Facilitated meetings to align project goals with client expectations.
- Ensured compliance with regulatory requirements in quantum technology deployment.
- Analyzed project outcomes to refine processes and improve future initiatives.
- Championed initiatives to promote quantum technology awareness among clients.
