SKILLS

- Manufacturing Quality Control
- Non-Destructive Testing
- Process Optimization
- Equipment Maintenance
- Team Collaboration
- Safety Procedures

EDUCATION

ASSOCIATES DEGREE IN INDUSTRIAL TECHNOLOGY, TECHNICAL INSTITUTE, 2016

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Improved testing efficiency by 20% through innovative process changes.
- Received recognition for outstanding teamwork and collaboration.
- Achieved a 95% satisfaction rate from production management.

Michael Anderson

RADIOGRAPHIC TESTING TECHNICIAN

Dynamic Radiographic Testing Technician with significant expertise in manufacturing environments, focusing on non-destructive testing to ensure product quality and compliance with industry standards. Recognized for strong attention to detail and a proactive approach to identifying potential defects, contributing to enhanced product reliability and customer satisfaction. Demonstrated ability to work collaboratively with production teams to streamline processes and improve testing methodologies.

EXPERIENCE

RADIOGRAPHIC TESTING TECHNICIAN

Manufacturing Innovations Inc.

2016 - Present

- Conducted radiographic tests on manufactured components to ensure quality.
- Maintained testing equipment and ensured compliance with safety regulations.
- Analyzed test results and developed recommendations for improvements.
- Collaborated with production teams to optimize testing workflows.
- Documented all findings and maintained accurate testing records.
- Engaged in continuous improvement initiatives to enhance processes.

JUNIOR RADIOGRAPHIC TESTING TECHNICIAN

Quality Manufacturing Solutions

2014 - 2016

- Assisted in performing radiographic testing on various products.
- Supported the calibration of testing equipment for accuracy.
- Maintained testing logs and documentation for compliance.
- Participated in safety training and awareness programs.
- Collaborated with senior technicians to refine testing processes.
- Engaged in skill development workshops to enhance expertise.
