- Spanish
- French

WORK EXPERIENCE

Radiographic Testing Technician

2020-2023

AutoSafety Solutions

- Executed radiographic tests on automotive components to ensure quality standards.
- Maintained testing equipment and ensured compliance with safety protocols.
- Analyzed testing data and reported findings to engineering teams.
- Collaborated with cross-functional teams to enhance testing methodologies.
- Documented and tracked testing outcomes for quality assurance.
- Participated in workshops to improve technical skills and knowledge.

Junior Radiographic Technician

2019-2020

CarTech Innovations

- Assisted with radiographic inspections of automotive parts.
- Supported calibration of testing equipment to ensure accuracy.
- Maintained detailed documentation of testing processes and results.
- Engaged in safety training to promote a secure working environment.
- Collaborated with senior technicians on quality improvement initiatives.
- Participated in team meetings to discuss project progress and findings.

ACHIEVEMENTS

- Contributed to a 15% reduction in defect rates through improved testing accuracy.
- Recognized as Employee of the Month for outstanding contributions in 2021.
- Achieved a 90% satisfaction rate in client feedback surveys.
