EDUCATION

ASSOCIATE DEGREE IN RADIOLOGIC TECHNOLOGY, COMMUNITY COLLEGE OF HEALTH, 2017

ACHIEVEMENTS

- Recognized for outstanding patient care practices during annual staff evaluations.
- Achieved a 10% increase in patient referrals through improved service quality.
- Developed a patient education brochure that improved understanding of imaging procedures.

PROFILE

Compassionate and skilled Radiologic Technologist with over 5 years of experience providing exceptional imaging services in outpatient clinics. Proficient in performing various radiographic exams, including mammography and fluoroscopy. Strong background in patient care, ensuring that patients are comfortable and informed throughout their imaging experience. Effective communicator with a knack for explaining complex procedures in an understandable manner.

EXPERIENCE

RADIOLOGIC TECHNOLOGIST

HealthFirst Imaging Center

2016 - Present

- Conducted mammography and fluoroscopy exams on patients, achieving a 95% satisfaction score.
- Educated patients about procedures, leading to a 30% reduction in pre-procedure anxiety.
- Assisted in the maintenance of imaging equipment, ensuring all devices were up to standard.
- Collaborated with physicians to ensure effective imaging results and follow-up care.
- Maintained patient records and ensured compliance with HIPAA regulations.
- Participated in weekly team meetings to improve departmental efficiency.

RADIOLOGIC TECHNOLOGIST INTERN

Unity Health Systems

2014 - 2016

- Supported senior technologists in performing X-rays and CT scans, gaining hands-on experience.
- Assisted in patient preparation and positioning for imaging procedures.
- Learned to operate imaging machines under supervision, ensuring safety protocols were followed.
- Documented imaging results accurately for further analysis by physicians.
- Engaged in patient education regarding imaging processes.
- Maintained cleanliness and organization of the imaging suite.
