SKILLS

- Pediatric Imaging
- Patient Communication
- Safety Compliance
- Team Collaboration
- Documentation
- Equipment Maintenance

EDUCATION

BACHELOR OF SCIENCE IN RADIOLOGIC TECHNOLOGY, UNIVERSITY COLLEGE, 2014

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Received the 'Compassionate Care Award' for outstanding service in pediatric imaging in 2020.
- Implemented a new educational program for children that improved their experience during imaging.
- Contributed to a departmental initiative that increased overall patient satisfaction by 20%.

Michael Anderson

PEDIATRIC RADIOLOGIC TECHNOLOGIST

Dedicated and skilled Radiologic Technologist with over 7 years of experience in a diverse range of medical imaging settings. Specializes in pediatric radiology and has a passion for working with children to ensure their comfort and cooperation during imaging procedures. Proven track record of using effective communication techniques to alleviate patient fears and build trust with young patients.

EXPERIENCE

PEDIATRIC RADIOLOGIC TECHNOLOGIST

Children's Health Hospital

2016 - Present

- Performed pediatric X-rays and ultrasounds, achieving a 97% success rate in patient cooperation.
- Developed engaging educational materials for children to explain procedures.
- Collaborated with pediatricians to create individualized imaging plans.
- Trained new staff on pediatric imaging techniques and safety practices.
- Maintained equipment and ensured compliance with safety regulations.
- Documented imaging results and communicated findings promptly to physicians.

RADIOLOGIC TECHNOLOGIST

Main Street Medical Center

2014 - 2016

- Executed a variety of imaging exams with a focus on patient safety and comfort.
- Engaged with patients to explain procedures, significantly reducing anxiety levels.
- Maintained accurate patient records and imaging documentation.
- Assisted in developing departmental protocols for pediatric imaging.
- Participated in ongoing training to enhance skills and knowledge.
- Ensured compliance with all health and safety regulations during imaging.
