EXPERTISE SKILLS

- Transportation Policy
- Infrastructure Analysis
- Project Management
- Stakeholder Advocacy
- Simulation Modeling
- Regulatory Compliance

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Master of Public Policy, Harvard University

MICHAEL ANDERSON

POLICY ANALYST, RAIL TRANSPORTATION

Strategic and detail-oriented Rail Planning Analyst with a robust background in transportation systems engineering and significant experience in policy development. Expertise in leveraging analytical and quantitative skills to inform rail planning decisions that enhance service delivery and operational efficiency. Proven ability to engage with governmental and regulatory bodies to advocate for infrastructure improvements and funding initiatives.

PROFESSIONAL EXPERIENCE

Department of Transportation

Mar 2018 - Present

Policy Analyst, Rail Transportation

- Developed transportation policy recommendations to enhance rail service accessibility.
- Analyzed legislative impacts on rail funding and infrastructure projects.
- Collaborated with technical teams to produce comprehensive rail system reports.
- Engaged with stakeholders to advocate for rail service improvements and funding.
- Monitored regulatory compliance and policy changes affecting rail operations.
- Presented research findings to senior government officials and industry leaders.

Global Rail Innovations

Dec 2015 - Jan 2018

Rail Systems Engineer

- Designed and implemented simulation models for rail network performance analysis.
- Conducted assessments of rail infrastructure to identify improvement opportunities.
- Developed project proposals for infrastructure upgrades and enhancements.
- Collaborated with cross-functional teams on multimodal transportation projects.
- Provided technical guidance on safety standards and best practices.
- Prepared detailed documentation for project management and reporting.

ACHIEVEMENTS

- Successfully advocated for a \$10 million funding increase for rail infrastructure projects.
- Played a key role in developing a statewide rail improvement strategic plan.
- Awarded 'Outstanding Public Service' for contributions to transportation policy.
