### SKILLS

- Logistics Optimization
- Data Analytics
- Statistical Analysis
- Software Implementation
- Performance Assessment
- Client Engagement

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN  
OPERATIONS RESEARCH, GEORGIA  
INSTITUTE OF TECHNOLOGY**

### ACHIEVEMENTS

- Increased freight efficiency by 30% through successful implementation of new logistics software.
- Received 'Analyst of the Year' award for outstanding performance in data analytics.
- Contributed to a 15% reduction in delivery times through optimized routing strategies.

### WORK EXPERIENCE

#### LOGISTICS ANALYST

Railway Supply Chain Solutions

2020 - 2025

- Analyzed supply chain logistics to improve rail service delivery times.
- Developed optimization algorithms to enhance freight routing efficiency.
- Collaborated with IT teams to implement new logistics management software.
- Conducted performance assessments to identify areas for improvement.
- Engaged with clients to understand their logistics needs and requirements.
- Prepared detailed reports on logistics performance metrics and trends.

#### DATA ANALYST

Urban Transportation Agency

2015 - 2020

- Utilized statistical tools to analyze transportation data and identify trends.
- Assisted in the development of reports on rail usage and service efficiency.
- Supported project managers in data collection and analysis for service improvements.
- Participated in stakeholder meetings to present data insights and recommendations.
- Worked on cross-departmental projects to enhance operational effectiveness.
- Maintained databases and ensured data integrity for reporting purposes.
