# Michael Anderson

## PROJECT MANAGER, RAIL INITIATIVES

Results-driven Rail Planning Analyst with a focus on project management and stakeholder engagement in the transportation sector. Extensive experience in leading cross-functional teams to deliver complex rail projects on time and within budget. Highly skilled in developing and executing strategic plans that align with organizational objectives and improve rail service delivery.

## EXPERIENCE

### PROJECT MANAGER, RAIL INITIATIVES

State Rail Authority

2016 - Present

- Managed multiple rail infrastructure projects, ensuring timely completion within budget.
- Developed project plans, timelines, and resource allocations for successful execution.
- Engaged with community stakeholders to address concerns and gather feedback.
- Coordinated with engineering teams to oversee project implementation and quality assurance.
- Prepared and presented project updates to senior management and stakeholders.
- Monitored project performance metrics and adjusted plans as necessary.

### RAIL PLANNING COORDINATOR

Metropolitan Rail Services

2014 - 2016

- Assisted in the development of strategic rail planning initiatives to improve service delivery.
- Conducted stakeholder analysis to identify and address key concerns.
- Supported the implementation of new technologies to enhance rail operations.
- Collaborated with finance teams to manage project budgets and funding requests.
- Prepared reports and presentations for regulatory compliance and stakeholder communication.
- Participated in project evaluations to assess outcomes and identify lessons learned.
