# MICHAEL ANDERSON

## ENVIRONMENTAL COMPLIANCE SPECIALIST

Innovative Rail Regulatory Affairs Officer with a strong focus on environmental compliance and sustainability in the rail sector. Over 12 years of experience in integrating environmental regulations within operational frameworks to promote sustainable practices. Demonstrates expertise in liaising with regulatory agencies and environmental organizations to ensure compliance with environmental laws. Proven success in driving initiatives that reduce the environmental impact of rail operations while maintaining regulatory adherence.

## **PROFESSIONAL EXPERIENCE**

### **Green Rail Initiative**

*Mar 2018 - Present*

Environmental Compliance Specialist

- Developed and implemented environmental compliance programs for rail operations.
- Conducted assessments of environmental impact and compliance with regulations.
- Collaborated with engineering teams to integrate sustainable practices.
- Managed stakeholder engagement initiatives focused on environmental education.
- Prepared reports on compliance status for regulatory submissions.
- Facilitated training on environmental regulations for operational staff.

### **National Railroad Administration**

*Dec 2015 - Jan 2018*

Regulatory Affairs Officer

- Monitored and reported on compliance with federal environmental regulations.
- Engaged with environmental agencies to advocate for rail industry interests.
- Conducted training sessions on environmental compliance for staff.
- Assisted in the development of sustainability initiatives within the organization.
- Prepared compliance documentation for regulatory audits.
- Collaborated with cross-functional teams to ensure operational compliance.

## **ACHIEVEMENTS**

- Implemented a sustainability program that reduced emissions by 20%.
- Received recognition for leadership in environmental initiatives from the Environmental Protection Agency.
- Contributed to the development of a national rail sustainability framework.
