MICHAEL ANDERSON

LEAD SAFETY OFFICER

Accomplished Rail Safety Officer with a strong focus on regulatory compliance and safety performance enhancement. With over twelve years of experience, this professional has excelled in developing comprehensive safety programs that align with both federal and state regulations. Expertise in training personnel on safety protocols, conducting risk assessments, and managing safety audits.

PROFESSIONAL EXPERIENCE

Freight Rail Corporation

Mar 2018 - Present

Lead Safety Officer

- Directed safety audits and ensured compliance with regulatory standards.
- Designed and delivered safety training programs tailored to employee needs.
- Conducted risk assessments and developed mitigation strategies for identified hazards.
- Collaborated with management to enhance safety policies and procedures.
- Monitored safety performance and reported metrics to stakeholders.
- Engaged in incident investigations to identify root causes and prevent recurrence.

City Transit Authority

Dec 2015 - Jan 2018

Rail Safety Analyst

- Analyzed safety data to identify trends and inform decision-making.
- Assisted in the development of safety improvement plans.
- Participated in safety compliance inspections and reporting.
- Provided recommendations for enhancing safety practices.
- Coordinated safety meetings to discuss performance and improvement opportunities.
- Supported incident investigations and documentation processes.

ACHIEVEMENTS

- Achieved a 20% reduction in workplace accidents over a two-year period.
- Recognized with the Rail Safety Excellence Award for outstanding contributions.
- Implemented a safety mentorship program that increased compliance awareness among new hires.
