## SKILLS

- 3D modeling
- toy design
- rapid prototyping
- user testing
- project management
- teamwork

## EDUCATION

**BACHELOR OF SCIENCE IN PRODUCT DESIGN, KANSAS STATE UNIVERSITY, 2016**

## LANGUAGE

- English
- Spanish
- German

## ACHIEVEMENTS

- Contributed to the launch of a toy line that generated over \$1 million in sales in the first year.
- Recognized for innovative design solutions that improved product safety and user engagement.
- Achieved a 15% reduction in prototype production time through process improvements.

# Michael Anderson

## TOY PROTOTYPING ENGINEER

Creative Rapid Prototyping Engineer with 6 years of experience in the toy industry, specializing in transforming concepts into tangible products that delight children and parents alike. Expertise in using 3D modeling and prototyping tools to develop safe, engaging, and educational toys. Strong understanding of child safety regulations and market trends. Proven ability to work collaboratively with design teams to innovate and iterate designs based on user testing.

## EXPERIENCE

### TOY PROTOTYPING ENGINEER

FunToys Co.

2016 - Present

- Developed prototypes for over 30 new toy products, enhancing engagement and learning outcomes.
- Collaborated with child development experts to ensure toys met educational standards.
- Conducted safety testing to ensure compliance with CPSC regulations.
- Utilized rapid prototyping techniques to accelerate design iteration process.
- Managed user testing sessions to gather feedback and refine product features.
- Presented prototype designs to stakeholders, resulting in successful product launches.

### JUNIOR PROTOTYPING ENGINEER

PlayTime Innovations

2014 - 2016

- Assisted in the design and development of prototypes for educational toys.
- Conducted market research to identify trends and consumer preferences.
- Participated in brainstorming sessions to generate innovative product ideas.
- Documented design processes and testing results for future reference.
- Supported the prototyping team in material selection and sourcing.
- Collaborated with marketing teams to align product features with branding strategies.
