MICHAEL ANDERSON

REAL ESTATE VALUATION SPECIALIST

Meticulously detail-oriented real estate valuation analyst with a proven track record in delivering high-quality property assessments and market analyses. Demonstrates an extensive understanding of valuation techniques and financial principles underlying real estate investments. Recognized for exceptional analytical capabilities and a commitment to maintaining the highest standards of accuracy in all valuation reports.

PROFESSIONAL EXPERIENCE

Sustainable Properties Group

Mar 2018 - Present

Real Estate Valuation Specialist

- Executed detailed property valuations using income, cost, and sales comparison approaches.
- Collaborated with development teams to provide valuation insights for new projects.
- Developed comprehensive reports that supported strategic investment decisions.
- Utilized Tableau for data visualization and presenting complex valuation analyses.
- Engaged in market trend analysis to forecast property value fluctuations.
- Provided training on valuation methodologies to new team members.

Metro Realty Advisors

Dec 2015 - Jan 2018

Junior Valuation Analyst

- Assisted in the preparation of property valuation reports under senior supervision.
- Conducted research on market conditions and comparable property sales.
- Analyzed financial performance metrics to assess property value.
- Utilized Argus for cash flow modeling and valuation analysis.
- Participated in client meetings to discuss valuation results and recommendations.
- Maintained databases of property information for ongoing analysis.

ACHIEVEMENTS

- Achieved a 95% accuracy rate in property valuations over three years.
- Contributed to securing a \$30 million investment through precise valuation analysis.
- Recognized for outstanding teamwork and collaboration within project teams.
