ACHIEVEMENTS

- Successfully managed sound for over 100 live events with zero complaints.
- Received commendation from clients for exceptional audio quality and service.
- Enhanced team productivity by implementing efficient sound setup protocols.

PROFILE

Accomplished Recording Technician specializing in live sound reinforcement and event production. With a career spanning over eight years, adept at managing complex audio setups for concerts, corporate events, and theatrical performances. Proven track record of utilizing cutting-edge technology to deliver exceptional sound experiences. Highly skilled in troubleshooting and resolving technical issues under pressure, ensuring seamless performances.

EXPERIENCE

LIVE SOUND TECHNICIAN

Premier Event Solutions

2016 - Present

- Configured and operated sound systems for large-scale events with up to 10,000 attendees.
- Conducted pre-event sound checks to ensure optimal audio quality.
- Managed audio mixing during live performances, adapting to real-time changes.
- Collaborated with artists and event coordinators to fulfill audio requirements.
- Troubleshot technical issues swiftly to minimize downtime during events.
- Documented sound setups and configurations for future reference.

ASSISTANT SOUND ENGINEER

Live Sound Productions

2014 - 2016

- Supported lead engineers in setting up and dismantling sound equipment for events.
- Assisted in live mixing and monitoring of audio levels during performances.
- Maintained inventory of audio equipment and ensured proper functioning.
- Participated in post-event reviews to assess audio quality and performance.
- Engaged in continuous learning to enhance technical skills and knowledge.
- Provided exceptional customer service to clients and artists.
