WORK EXPERIENCE

Community Engagement Coordinator

2020-2023

Plant a Tree Network

- Developed and implemented community-based reforestation programs engaging over 1,000 volunteers.
- Created educational resources to inform the public about reforestation benefits.
- Organized tree planting events in collaboration with local schools and community groups.
- Facilitated workshops to teach sustainable practices to community members.
- Monitored project outcomes and reported on community participation metrics.
- Established partnerships with local businesses for program support and funding.

Reforestation Outreach Specialist

2019-2020

Green Earth Initiative

- Led outreach initiatives aimed at increasing community involvement in reforestation.
- Conducted educational sessions in schools to promote environmental awareness.
- Developed partnerships with local organizations to amplify outreach efforts.
- Utilized social media platforms to engage the community and promote events.
- Created reports analyzing the impact of outreach activities on community engagement.
- Secured funding through community grants to support outreach programs.

ACHIEVEMENTS

- Increased volunteer participation in reforestation events by 60% over three years.
- Recognized for excellence in community outreach by local environmental groups.
- Developed a successful educational curriculum adopted by multiple schools.
